PRESIDENT'S MESSAGE

SAVANNAH STATE
HOMECOMING
1983-84

SAVANNAH STATE COLLEGE
A UNIT OF THE UNIVERSITY SYSTEM OF GEORGIA
SAVANNAH, GEORGIA 31404

OFFICE OF
THE PRESIDENT

Dear Students, Faculty, Staff and Friends:

The 1984 *Tiger* captures many scenes of events, people and places that are crucial parts of Savannah State College's agenda for continued excellence. Because the Georgia Board of Regents reaffirmed the status of SSC as a separate, autonomous institution in November and removed the uncertainty that has existed for the past few years, we now can devote greater attention to our renewed quest for excellence. We can dedicate ourselves to developing new undergraduate and graduate degree programs that will meet the needs of the greater Savannah area, the state and the nation. With our new status now reaffirmed, we can continue to move forcefully in our thrusts as an urban institution.

As you browse the pages of the *Tiger*, reflect on SSC's rich history of which you are a part. Envision what this institution will become in the future through the dedication of faculty, staff and alumni. Take pride in the "College by the Sea." Work to make it an even greater institution. "We Hail Thee SSC."

Sincerely,

Wendell G. Rayburn
President

BLACK

Nationally syndicated columnist and television talk show host Tony Brown Oct. 4 vowed to block merger of Savannah State College with predominately white Armstrong State College and also secured promises from S.S.C. students that they will fight with him. Brown, who established Black College Day in 1980 to honor contributions of the black colleges, chose mostly black Savannah State College as the national focus of the celebration.

COLLEGE DAY

"Saving black colleges is the responsibility of black people," Brown said.

Students give full attention to speakers.

WHAT DOES INTERGRATION MEAN?—Ironically, just as President Reagan signed into law a bill declaring an official Black College Day, supporters of Black colleges around the country were demonstrating to save them from new federal and state desegregation plans that threaten their historic role. A massive march rally in Savannah, Georgia led by Tony Brown, “The Father of Black College Day,” protested plans to merge Black colleges. Savannah State College was the national site of the 1983 Black College Day observance, a movement that started in 1980 when the first Black College Day was started by Brown, a television journalist and newspaper columnist.

CAMPUS RADIO STATION

WHCJ Extends Air Time

by Gary Swindell

A variety of activities are in the works at WHCJ, Savannah's first public radio station. "We're working to enhance a facility that has not been utilized to its fullest," said Mrs. Carol Gordon, Manager of WHCJ.

Mrs. Gordon, a graduate of SSC, and a former t.v. anchorwoman, has implemented many changes at the station since she became station manager last year. The most recent change is the

extension of WHCJ's air time. The station formerly aired from noon to 4 p.m., but now airs from 9 a.m. to 8 p.m. Monday through Friday.

WHCJ is primarily a jazz station, but also features reggae, gospel, and classical music. The station hopes to receive funds through a Public Telecommunications Grant to increase to 1000 watts and to purchase new equipment. Presently WHCJ is a 10 watt station with a radius of about 15 miles.

Show them all the beauty they possess inside, Give them a sense of pride, to make it easier. Let the children's laughter remind us of how we used to be.

Everybody's searching for a hero. People need someone to look up to. I never found anyone who fulfilled my needs.
A lonely place to be so I learned to depend on me.

I decided long ago never to walk in anyone's shadow. If I fail, If I succeed, at least I have lived as I have believed. No matter what they take from me, thay can't take away my dignity, because the greatest love of all happening to me.

I have the greatest love of all inside of me. The greatest love of all isn't easy to achieve. Learning to love yourself is the greatest love of all.

And if I chance that special thing that you have been dreaming of leads you too, along to a place for the strength in love.

Students at SSC are responsible for maintaining the highest standards of scholarship and behavior. The College works toward the goal of having all the students grow in knowledge, in emotional maturity, in capabilities for application and effort, and in social wisdom.

The image consists of a dense, abstract pattern of black and white text and symbols, primarily 'O', 'P', 'H', 'M', 'R', 'S', and 'E', arranged in a grid-like structure. The symbols are repeated in a regular, overlapping fashion across the entire frame. The 'O' symbol is the most prominent, appearing as large circles and smaller dots. Other symbols like 'P', 'H', 'M', 'R', 'S', and 'E' are interspersed throughout the pattern, often appearing as smaller letters or parts of larger characters. The overall effect is a high-contrast, geometric abstraction.

IMPORTANT: The national per-game rankings are based on games an individual actually plays. It's a game played if he's in the lineup for even one play, whether or not he touches the ball. But to be ranked a player must appear in at least 75 percent of his team's games (i.e., 6 of 8, 7 of 9, 8 of 10, 9 of 11).

CHARACTERISTICS OF A TIGER

Tigers are extremely swift and can leap many feet when stalking their prey.

Using its sharp claws, the tiger grasps the victim and pulls it to the ground.

The tiger's teeth are well suited both for holding its prey . . .

and for tearing it apart.

Tigers protect their territory.

Finally, after the kill the tiger leaves the remains of its prey.

WHO IS EDUCATED:

A professor in Chicago is reported to have given the following test to his pupils. He told them they were not really educated unless they could say yes to all these questions: Has your education given you sympathy with all good causes and made you espouse them?

Has it made you public-spirited?

Has it made you a brother to the weak?

Have you learned how to make friends and to keep them?

Do you know what it is to be a friend to yourself?

Can you look an honest man or a pure women straight in the eye?

Do you see anything to love in a little child?

Will a lonely dog follow you down the street?

Can you be high-minded and happy in the meaner drudgeries of life?

Do you think washing dishes and hoeing corn just as compatible with high thinking as piano playing or golf?

Are you good for anything to yourself? Can you be happy alone?

Can you look out on the world and see anything but dollars and cents?

Can you look into a mud puddle by the wayside and see anything in the puddle but mud?

Can you look into the sky at night and see beyond the stars?

Can your soul claim relationship with the Creator?

The above was taken from the literary book *Leaves of Gold*.

EDITOR'S MESSAGE

When seeking a higher education one should aim high, be determined, and have self control. Aim high by placing your goals where you would really like to be in life. Believe in yourself and you will succeed.

Be determined and overcome the obstacles you may encounter, but most of all have self control.
